SECURITY**

If you want to watch the start of the race and then head to the first relay exchange point, you will have approx. 12 minutes to get onto Route 1 off I-295 before the first runner reaches this merge and is blocked by police for a short period of time. Or, to give yourself more time, continue North on I-295 to the Falmouth exit (approx. 3 miles or so), take this exit (Exit 10 Bucknam Road). Take right at off-ramp which will take you to Route 1. Take a right onto Route 1 and Pratt Abbott will be a very short drive on your left.

PLEASE BE AWARE!!!

The first and last two miles of the course (Baxter Boulevard) is closed to traffic. Also closed from 8am to 9:30 am is Route 88 from Route 1 to Depot Road in Falmouth. Your best bet is to park at Pratt & Abbott and walk the very short distance to Skillin's for the exchange. Also, best route to Westcote Inn in Yarmouth is out of Pratt Abbott Route 1 North to Yarmouth looping around to Route 88. You cannot access Route 88 from Johnson Road and it will be very difficult to access Route 88 from Tuttle Road where you will encounter traffic tie-ups and delays. By the time the exchange is made at #2, Route 88 should be okay to drive south on to get to Exchange Point #3.
